IT'S TIME TO UNITE THIS RAMADAN

ACTION FOR HUMANITY

Message from the CEO

Assalamualaikum dear donors.

THIS RAMADAN IS A TIME FOR UNITY.

It's a moment for us to stand together in support of families in Palestine, Syria, Yemen, Pakistan, Lebanon, and all those displaced worldwide. **This Ramadan is a month of sharing our blessings** by offering essentials like food, shelter, water, and hope to those in need. It prompts reflection on the favours bestowed on us by Allah (SWT) to us and emphasizes the provision of hope, empowerment, and support to affected communities.

As you read this, more than 400 million people across the world require humanitarian assistance. Families in Yemen face deepening conflict and extreme poverty. The people of Gaza are suffering from a growing hunger and healthcare crisis. Now in its thirteenth year, the Syria crisis marked 2023 as one of its worst years, as multiple challenges converged to impact millions of lives.

Over the past 12 years, Action For Humanity has aided over 15 million people in need. From constructing homes in Syria to feeding families facing famine in Yemen, delivering babies in Iraq to assisting the homeless in the UK, and responding to emergencies in Palestine, your donations are creating a global impact.

NOW IS THE TIME TO UNITE AND TAKE ACTION.

Last year, with your support we assisted eight people every minute. With one of the lowest administrative fees in the sector, **you can trust that every £1 you donate will be utilised to help vulnerable individuals**, ensuring sustainability and empowerment through our world-leading humanitarian work.

Whether it's your Zakat, Sadaqah, Fidyah, or Fitrana – by donating to us this Ramadan, you are putting your contributions into meaningful action.

Let's come together and unite for a better world.

Jazakallahu Khairan

HOW WE IMPLEMENTED YOUR DONATIONS LAST RAMADAN

During the sacred month of Ramadan, **Action For Humanity** launched a **comprehensive aid programme**, reaching out to vulnerable families across the world, including **Yemen, Syria, Iraq, Turkey, Palestine, Lebanon, Pakistan, Jordan, the UK, Somalia, Afghanistan, and Chad**. Our primary objective was to provide essential assistance to communities facing significant challenges during this blessed month.

Throughout Ramadan 2023, we successfully distributed nutritionally balanced **food baskets to 36,387 families**, ensuring sustenance for a family of six for an entire month. Additionally, we extended support to **5,760 families worldwide through cash assistance, Zakat, and Eid Gifts**, addressing their diverse needs and bringing moments of joy during this special time.

This Ramadan, our commitment remains steadfast. With your generous support, we aim to build upon our previous successes and create an even greater impact on the lives of those in need. **Together, we aspire to continue making a positive difference in the communities we serve during this sacred and compassionate month.**

TIME TO UNITE AND SUPPORT GAZA

As the situation in Gaza continues to escalate and the need for humanitarian access becomes more crucial, our team is working tirelessly to ensure the safe delivery of aid to Gaza as soon as possible.

GAZA

TIME TO UNITE AND SUPPORT GAZA

Over 30,000 children, women and men have been killed in Gaza and nearly 70,000 have been severely injured since the start of October 2023.

SHELTER

Over a million people are seeking safety and shelter in the already overcrowded city of Rafah, with hundreds of thousands sleeping in the open with inadequate clothing to stay warm.

HEALTH

Accumulation of solid waste and heightened unsanitary conditions near hospitals, shelters, camps and public areas exacerbates environmental and health risks, with infection and disease outbreak looming.

FOOD SECURITY

As each day passes, more people are facing starvation, with limited or no access to food. Children, pregnant women and the elderly are most affected.

WELFARE

Women and children remain the most vulnerable, with many facing detrimental health, welfare and trauma issues.

This Ramadan, we urge you to UNITE and SUPPORT GAZA

Our food packs are meticulously curated to contain a variety of high quality, nutritious and culturally appropriate ingredients.

Each country contains different items depending on the location. For example, our food packs in Syria contain rice, sugar, spaghetti, bulgar, sunflower oil, vermicelli, tomato paste, whole lentils, tea, olive oil, thyme and tuna. In Jordan, we distribute cash vouchers that allow people to buy bread, rice, pasta, sugar, oil, meat and canned foods.

Each pack is designed to last at least one month, ensuring there is enough food to sustain a family of six. Often, we distribute these food packs in hard-to-reach areas, ensuring that we are reaching vulnerable families with well balanced, nutritious meals, which can in turn strengthen their resilience and help lead healthier lifestyles.

Food insecurity is a significant and pressing issue in Syria and Yemen, where the destruction of infrastructure and displacement of millions of people makes it challenging for families to access basic and essential food supplies.

BREAD DISTRIBUTION

SYRIA AND YEMEN

Bread is a staple food group for millions of people across the Middle East. Our Bread Factory project is a proactive response to deep-rooted challenges in Syria and Yemen, such as the disruption to agricultural production and displacement of whole communities due to the respective crises.

To combat this, our programme focuses on the training and rehabilitation of local bakeries in Syria and Yemen. This initiative not only creates jobs but also generates income for displaced individuals. Remarkably, we have successfully rehabilitated over 50 bakeries in Northwest Syria alone.

This project goes beyond immediate relief. It has also provided Syrian and Yemeni bread makers with the income opportunities they need to remain on their farms and provide for their families.

Your Zakat and Sadaqah will enable us to distribute more bread to more families, offering vital nourishment and relief to families facing intense hardship in these conflict-affected regions.

TIME TO UNITE AND MAKE THE WATER FLOW

Access to water and sanitation is a basic human right – fundamental to everyone’s health, dignity and prosperity. However, billions of people are still living without clean water and safely sanitation services.

WATER

WATER TRUCKING IN SYRIA

Damaged and disrupted by years of conflict, the lack of safe water, sanitation and hygiene services and facilities have impacted nearly 15 million people in Syria.

Over the years, Action For Humanity has observed the worsening sanitation crisis and its profound impact on the health and wellbeing of affected communities. Our water trucking initiative provides a crucial 35 litres of water per person per day, meeting essential individual daily water needs.

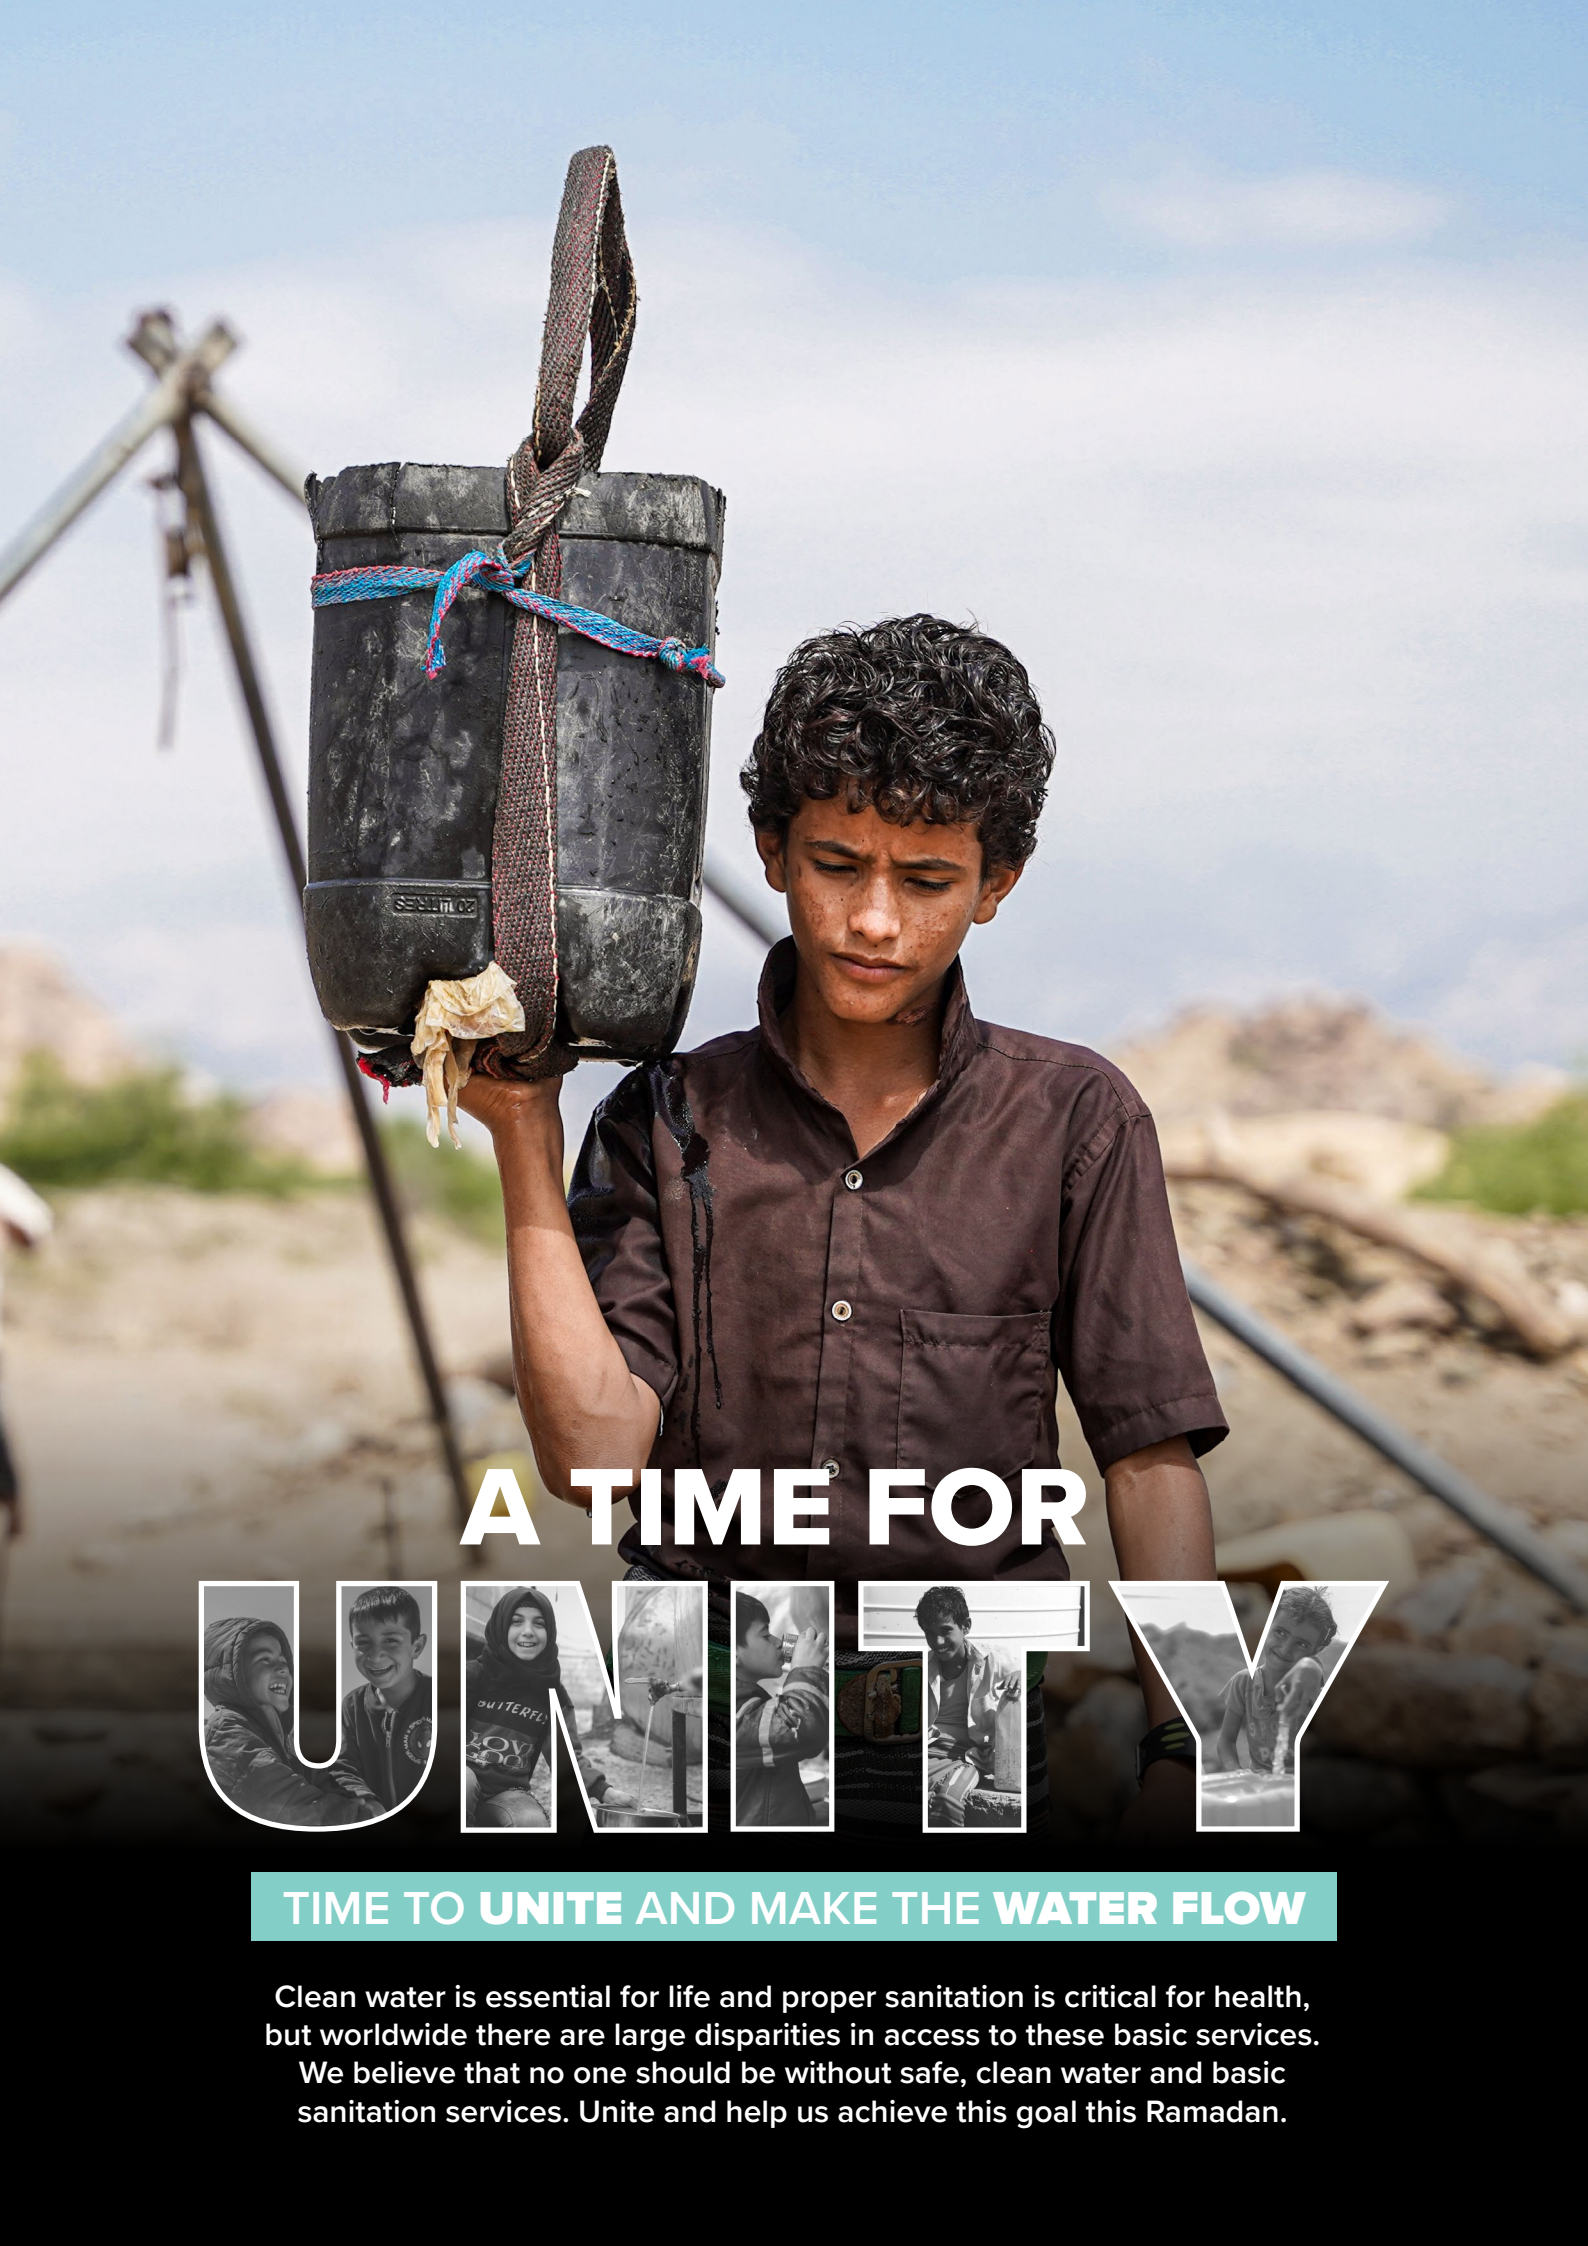

In addition to addressing water scarcity, our dedicated team on the ground is committed to improving and ensuring access to sanitation facilities in camps. Through this initiative, we also facilitate the collection and transfer of waste for 20,000 camp residents. This not only reduces the risk of infection and the spread of diseases within the camp, but also enhances the overall quality of daily living, for those residing in these communities.

Through our efforts and your donations, we can make a tangible and lasting impact on the sanitation and water crisis in northern Syria, fostering healthier and more sustainable living conditions for people living in camps.

WATER

WATER WELL REHABILITATION AND RECONSTRUCTION IN YEMEN

In Yemen, a staggering 15.3 million people are deprived of access to safe drinking water and reliable sanitation facilities. This dire situation creates fertile ground for the rapid spread of bacterial diseases, particularly cholera, posing a severe threat to large populations.

In response to these critical conditions, our dedicated team in Yemen is taking action. We are actively involved in the rehabilitation and reconstruction of water wells in Sana'a and Lahij, striving to bring a positive change to more than five war-affected villages.

By ensuring access to safe and clean drinking water, we aim to mitigate the risks associated with water-borne diseases and enhance the wellbeing of the affected communities.

The people of Yemen are in urgent need of support. By uniting together, we can make a meaningful impact on their lives, providing a lifeline of safe water and contributing to the resilience of communities facing the challenges of war and water scarcity.

Support the people of Yemen in their quest for access to a fundamental human right – clean and safe drinking water.

WATER

WATER & SANITATION SERVICES IN PAKISTAN

The water crisis in Pakistan is stark, with over 22 million people lacking access to water in close proximity to their homes. Tragically, this predicament leads to more than 20,000 children under the age of five succumbing to diarrhea annually, a consequence of consuming contaminated water, inadequate sanitation facilities, and poor hygiene conditions.

In response to this pressing issue, **Action For Humanity is actively engaged in constructing solar powered shallow water wells across Pakistan.** This initiative aims to provide communities grappling with water scarcity a clean and easily accessible water source. The focus is on establishing a sustainable and reliable water infrastructure to not only meet the immediate need for clean water but also enhance the overall wellbeing of the local population.

Through the construction of water wells, Action For Humanity is dedicated to making a meaningful and lasting impact on the lives of those affected by the water crisis in Pakistan.

This endeavour represents a critical step toward mitigating the health risks associated with contaminated water and fostering healthier and more sustainable communities.

“Ever since the floods hit, we’ve had no source of water. We’ve been forced to drink the dirty water. The water from our stream is stagnant but there is nothing else.”

GIFTS FOR LIFE

MEDICAL AID

Last year, Action For Humanity launched the Gift for Life campaign, a compassionate initiative aimed at providing life-changing gifts to individuals facing severe medical limitations. Your support during Ramadan 2023 enabled us to make a meaningful impact:

- We provided prosthetic limbs and hearing aids for children in Idleb, Syria.
- Medical costs for extreme cases in both Idleb and Ezaz, Syria, were covered.
- Children with special needs in Deir-ez-Zor, Syria, received glasses and hearing aids.
- Hearing aids were supplied to children in Aden and Sana'a, Yemen.
- Specialist eyecare equipment was delivered to 500 patients in Lebanon.

This year, we are committed to continuing this impactful initiative. We sincerely hope that our donors will once again contribute wholeheartedly to this crucial cause, providing invaluable support to those facing significant medical challenges. Together, we can bring positive change and enhance the lives of individuals in need.

EMERGENCY MEDICAL CARE & SPECIAL CASES

Your contribution towards emergency medical care and special medical cases can be truly life-changing. In conflict zones and areas of desperate need, access to treatment, medication, and surgeries is often a matter of life and death.

Your donation can make a significant impact by enabling timely medical interventions, surgeries, and access to essential medications. Join us in the mission to save lives and make a positive difference in the health outcomes of individuals in desperate need or conflict zones.

SUPPORTING NEW MOTHERS IN MATERNITY HOSPITALS

The prolonged conflict in Syria has left many hospitals in the region grappling with severe shortages of basic supplies, fuel, and the capacity to recruit specialized medical professionals. In response to this critical situation, Action For Humanity is actively supporting and sustaining three key hospitals in northeast Syria.

Our efforts encompass covering the salaries of over 350 staff members, providing essential medical and laboratory consumables, stationary, cleaning supplies, and ensuring a continuous supply of fuel for generators, among other vital resources. By addressing these fundamental needs, we aim to fortify the resilience of these hospitals and enhance their capacity to deliver critical healthcare services to those in need.

Through your generous donations, we can provide free consultations for women and children, support infants in incubators and resolve emergency cases every day.

Together, we can support the dedicated medical professionals working tirelessly to care for Syria.

This project is Zakat and Sadaqah applicable.

PROSTHETIC LIMBS

The impact of conflict is often felt deeply, particularly by individuals who have lost limbs. Our Prosthetic Limbs programme focuses on providing high quality and affordable prosthetic limbs. Our goal is to empower those affected by conflict, enabling them to regain their mobility and the ability to walk again. Through this initiative, we strive to restore independence and improve the overall quality of life for individuals who have endured the consequences of conflict-related limb loss. For nearly four years, Action For Humanity has been actively involved in feeding local communities every week. This Ramadan, we're asking for your support to help us reach even more people in need in the UK.

FEED THE FASTING IN THE UK

SUHOOR & IFTAR IN THE UK

Our journey began with the establishment of a food bank at the start of the COVID-19 pandemic in March 2020, where we delivered basic food essentials and healthcare packs to hundreds of elderly, isolated and vulnerable individuals in Tameside and Greater Manchester.

Since then, our dedicated team of trained volunteers has provided over 75,000 hot meals to NHS staff, homeless shelters, vulnerable families, and victims of domestic violence. Our hot food provision remains consistent, supplying 150-300 meals per week, and through weekly batch-cooking classes, we have also trained over 200 community cooks to prepare nutritious meals in large quantities, reducing food poverty and further expanding our outreach services to those in need.

This Ramadan, we plan to deliver Suhoor and Iftars through our delivery partners, Aid Infinity, who are working with refugees and asylum seekers in Loughborough. These families and individuals have fled from countries like Afghanistan, Iran, Iraq, Pakistan, Sudan, Syria and Yemen, with many lacking access and means to culturally appropriate food.

Action For Humanity will provide essential food items to each family, such as meat, bread, olives, honey and dates. In addition to this, nutritionally balanced hot meal iftars will be delivered each week throughout Ramadan for the families to enjoy.

All meals will be freshly prepared with items sourced ethically, cooked and delivered by our trusted volunteers.

“Providing iftar for a struggling refugee this Ramadan will be more than just food assistance - it shows the solid support of a community behind them and gives hope for the future.”

RESTORE HOPE FOR AN ORPHAN

There are nearly **153 million** orphaned children throughout the world right now.

This Ramadan, many children will find themselves, hungry, cold and unsafe. In times of conflict and disaster, children are the most vulnerable, facing immense challenges and dangerous living conditions.

We believe that every child, everywhere, has the right to a happy and healthy life. By supporting our Orphan Sponsorship programme, you can help ensure that orphaned children can be fed, clothed, educated and receive the basic necessities needed for a healthy childhood.

Your support can help provide food, water, medical aid and educational assistance for orphans in need in Yemen, Syria, Palestine and Iraq.

When you sponsor an orphan with Action For Humanity, you will receive a profile of the orphan you're sponsoring and an annual report. In this way, you'll be able to see the direct impact of your support for orphans in need.

Family Sponsorship: The spiraling cycle of poverty can be particularly challenging for families without opportunities to work, perpetuating a cycle of vulnerability. Action For Humanity is dedicated to breaking this cycle by providing support to these vulnerable families.

Our support encompasses crucial aspects such as rent, food, drinking water, primary health care, basic education, and clothing. The beneficiaries are refugees who are not supported by other organizations. We prioritise families with the poorest health status, disabilities, those headed by females, and large families with young children.

Your support can make a significant difference in the lives of these vulnerable families, offering them hope for a better future.

After 13 years of conflict, one in three schools in Syria are no longer used for educational purposes. They have been destroyed or damaged, hampering young children's access to learning and academic development.

Over the years, Action For Humanity has operated, rehabilitated and supplied hundreds of schools in Syria, Yemen, Lebanon, Pakistan and Afghanistan with equipment, providing students with uninhibited access to quality education.

This Ramadan, your generous contribution can provide a year's worth of education for a deserving child, or school bags to reduce financial pressures on families and motivate children to continue their education and development.

In Idlib and Aleppo, many functioning schools are also lacking furniture and essential learning supplies - with your help we can provide school furniture and equipment, ensuring a conducive learning environment for Syrian children.

The initial phase saw the provision of new homes for 250 families (Village Ataa), followed by the second phase benefiting 500 families (Village Massa). The upcoming third phase is set to bring an additional 750 families with new homes. Going beyond housing, our commitment extends to constructing essential community facilities such as a school, health centre, and mosque, designed to meet the specific needs of the community.

The upcoming third phase is set to bring the total number of families provided with **new homes to an impressive 750**. Going beyond housing, our commitment extends to constructing essential community facilities. This includes a school, a health centre, and a mosque, designed to meet the specific needs of the community.

These facilities will play a crucial role in addressing various aspects of community wellbeing. The school will offer educational opportunities, the health centre will provide essential healthcare services, and the mosque will serve as a place of worship and community gathering. Each facility will be staffed with trained professionals, ensuring that the community receives comprehensive support.

Through this holistic approach, our aim is not only to provide shelter but also to create a sustainable and supportive environment for families in Northern Syria. Utilising our online Zakat calculator is a convenient way for you to determine the Zakat you owe based on your assets and current Nisab values.

By paying Zakat through Action For Humanity, you not only fulfill your religious duty of purifying your wealth but also contribute to delivering life-saving aid to those who are most vulnerable around the world. This dual impact of fulfilling a religious obligation and supporting humanitarian causes reflects a holistic approach to charitable giving.

Visit our official website or via the QR code below and use the calculator for an accurate assessment of your Zakat obligation.

ZAKAT CASH PROGRAMMES

Providing cash grants to families in need is a direct and impactful way to support them in securing essential necessities like food, medicine, and school supplies. Action For Humanity recognizes the diverse needs of families facing various challenges.

By offering cash grants, we empower families with the flexibility to address their diverse needs and most pressing concerns as they see best.

These grants not only enable families to make choices based on their unique circumstances but also contribute to local economies by encouraging spending within the community. Whether it's putting food on the table, obtaining crucial medications, or ensuring children have the necessary school supplies, cash grants provide families with the autonomy to prioritise their immediate needs.

By donating your Zakat contribution as cash grants, you will have a direct and positive impact on the lives of these families, offering them a degree of financial stability and flexible spending.
