### Message from the CEO

Asalaamu Alaikum Wa Rahmatullahi Wa Barakatahu.

We hope this Ramadan was a blessed and wholesome month, filled with barakah, joy and peace for you and your families.

For many families across the globe, Ramadan can bring increased hardship, particularly in regions beset by conflict and poverty. This year, families in Yemen faced deepening conflict and extreme poverty. The people of Gaza continued enduring the traumatic and life-threatening pains of a growing hunger and healthcare crisis. Now in its thirteenth year, the Syria crisis has seen multiple challenges converged to impact millions of lives.

Recognising these challenges, and with your unwavering support, we endeavoured to service those in need across the world.

As we reflect on our journey, we're pleased to share our Ramadan Feedback Report 2024. This report highlights our activities across various countries. Our efforts aim to alleviate hunger, provide essential resources, and support communities during the holy month of Ramadan. By distributing food parcels, cash grants, and other forms of assistance, with your support we worked tirelessly to ensure that families can observe Ramadan with dignity, security and good health.

We pray the Almighty rewards all our valued donors for your generosity and commitment in helping us alleviate the suffering of families in need.

**Thank you for coming together to unite for a better world.**

Jazakallahu Khairan
