FAITH IN

ACTION

A MESSAGE FROM OTHMAN

Alhamdulillah, the blessed month of Ramadan is upon us once again; a time for reflection, renewal, and compassion in action. It reminds us that faith is not only what we believe, but what we do. This year, as we turn our Faith into Action, we are called to embody the spirit of Ramadan through mercy, generosity, and solidarity with those in need.

Across the world, families continue to face immense hardship. In Palestine, the wounds of genocide run deep. In Syria, families who have endured fourteen years of war are finally returning home to rebuild. In Yemen, hunger and disease threaten millions, while in Pakistan and Lebanon, instability continues to devastate lives.

Yet amid hardship, I see hope because I see you. Through your faith, compassion has become action, and that action has changed lives.

Last Ramadan, your giving reached over **359,000 people** across eight countries with food, water, shelter, and healthcare. Together, we distributed **70,000** food parcels, served **over 185,000** hot meals, and provided urgent medical and health assistance to more than **35,000** Palestinians in Gaza.

In total, Action For Humanity has now reached **over 16 million people** in 15 countries, proof that our faith, when put into action, knows no borders.

With one of the lowest administrative fees in the sector, and as a **Core Humanitarian Standard (CHS) accredited organisation**, we hold ourselves to the highest global standards of transparency and accountability. You can trust that your **Zakat, Sadaqah, Fidyah, and Fitrana** reach those who need them most, delivered with dignity and impact.

This Ramadan, as we fast, pray, and give, let us remember that every meal shared, every home rebuilt, and every life restored begins with a single act of faith.

May Allah (SWT) accept our good deeds, bless our giving, and unite us in compassion and purpose. Together, let's turn our **Faith into Action** — for Palestine, for Syria, for humanity.

Jazakallahu Khairan,

Othman Moqbel
Global CEO, Action For Humanity

PALESTINE

Palestine continues to bear the scars of unimaginable loss. At least 70,000 people, including over 50,000 children, have been killed or injured in Gaza since October 2023*. Half a million remain in catastrophic conditions, facing famine, disease, and displacement.

The recent ceasefire has finally enabled aid to reach Gaza, a crucial opening for families who have endured deplorable hardship. Yet the crisis is far from over. Homes lie in ruins, hospitals are overwhelmed, and clean water is scarce.

Amid the devastation, your faith has been a lifeline. Since 2023, Action For Humanity has reached over 1 million people with food, water, shelter, protection and healthcare in Gaza and Westbank. As Palestine begins to heal, your continued compassion will help rebuild lives with dignity and hope.

**This Ramadan, turn your Faith into Action.
For Palestine, for peace, for humanity.**

‘WHEN THE BOMBING STOPPED, I DIDN’T BELIEVE IT. MY CHILDREN SLEPT THROUGH THE NIGHT FOR THE FIRST TIME IN MONTHS.’

— HIDAYA, GAZA CITY

For two years, Hidaya has endured hunger, fear, and loss. Her home was destroyed, and her husband was injured in an airstrike. Each day, she searched for food, queuing for hours with her children for a single meal.

When Action For Humanity reached her community, our teams provided hot meals, clean water, and emergency medical care. It was the first time in weeks her family had eaten together.

Today, Hidaya and her children are rebuilding their strength in one of our HOPE shelters. Her story is one of survival, faith, and endurance, and it’s only possible because of you.

YOUR IMPACT IN PALESTINE 2023 - 25

Since October 2023, Action For Humanity has implemented over 100 life-saving interventions across Gaza, the West Bank, and Jerusalem. Amid one of the world's most difficult humanitarian crises, we have reached more than 1 million people, including 50,000 with disabilities, with vital aid.

Our support includes hot meals, food parcels, cash assistance, clean water, hygiene kits, medical supplies, and temporary shelters, alongside education programmes, psychosocial support, and solar-powered water projects. Despite severe access restrictions, our teams continue to serve families every day, protecting life, preserving dignity, and maintaining hope in Palestine.

SYRIA

Fourteen years since the conflict began, Syria is taking its first steps towards recovery. Across liberated areas, families who were once displaced are finally returning home. But what they return to is devastation. Houses are reduced to rubble, schools are destroyed, and livelihoods have been lost.

Your faith is helping to rebuild what war has taken. Over the past year, Action For Humanity has expanded reconstruction efforts across northern Syria, transforming destruction into renewal. Through flagship projects like Al-Tahrir Village, Bread for Syria, Gift For Life, and Water for Syria, your generosity is restoring safety, dignity, and the foundations of normalcy.

In the first year of liberation, Action For Humanity has restored more than 10 social service facilities, launched multiple infrastructure projects, and established youth empowerment centres that enable women to take part in rebuilding Syria and strengthening their communities.

Turn your faith into action this Ramadan and help rebuild Syria.

「THE DAY WE OPENED OUR FRONT DOOR AGAIN, WE CRIED. IT WAS BROKEN, BUT IT WAS OURS.」

— AMINA, ALEPPO

Their story mirrors thousands of other families returning with nothing but hope for a better future. Your faith has made that possible.

BEYOND RELIEF

RESTORING LIVELIHOODS AND FUTURES

YEMEN FISHERIES PROJECT

In Al Buraka, on Yemen's southern coast, fishing is a lifeline for more than 3,000 families. However, years of conflict and disaster have left boats damaged, nets ripped, and incomes threatened. Each vessel can support up to ten families, yet hundreds now remain unused. Local volunteers like Nawaf Saad have operated a small repair workshop for two decades despite limited space, tools, and resources.

With your support, Action For Humanity is helping to rebuild and equip this workshop so fishermen can repair boats, restore engines, and return safely to the sea, reviving an entire community's independence and dignity.

ORPHAN SPONSORSHIP

Every child deserves love, care, and a future. Across Syria, Yemen, Palestine, and beyond, millions of children are growing up without parents to protect or provide for them. Conflict, poverty, and displacement have created one of the worst orphan crises in modern history.

In Gaza alone, since October 2023, more than 39,000 children have lost one or both parents. Many now depend on extended family or guardians for care, facing daily risks of hunger, child labour, and exploitation.

Through your faith and support, Action For Humanity is helping to change this. Our Orphan Sponsorship Programme ensures children grow up in family care with food, education, and safety.

Your sponsorship provides:

£35 a month (£420 a year) provides direct support for one child.

86% goes straight to the orphan's household for essentials like food, healthcare, clothing, and education.

14% covers safeguarding, monitoring, and protection to keep each child safe and supported.

SPONSOR AN ORPHAN AND CHANGE A CHILD'S LIFE

Your sponsorship ensures a child grows up in safe care with food, education, healthcare, and the support they need to build a brighter future.

FAMILY TWINNING

Poverty, displacement, and conflict continue to tear families apart across the Middle East. In Lebanon, Jordan, Iraq, and Syria, parents struggle to afford food, rent, and school fees, facing impossible choices between feeding their children and keeping a roof over their heads. Your faith helps families stay together.

Through Action For Humanity's Family Twinning Programme, your monthly donations provide financial support that helps parents meet their basic needs with dignity, preventing separation and restoring stability to those most at risk. Each sponsorship covers essentials such as food, rent, and healthcare, giving families a chance to rebuild their lives from crisis towards self-reliance.

ZAKAT CASH PROGRAMMES

Fulfil your obligated duty, for “...those in whose wealth there is a recognised right, for the needy and deprived.” Quran (70:24-25)

Action For Humanity's Zakat Cash Programmes provide direct financial assistance to displaced and vulnerable families, empowering them to meet their basic needs for food, clothing, medicine, and shelter with dignity and choice.

By providing cash grants, we allow families to prioritise what is most vital for their survival and stability. These funds reach those most in need across Palestine, Yemen, Syria, Sudan, Pakistan and Jordan, including displaced persons, widows, orphans, and households without income.

Your Zakat does more than provide immediate relief; it creates sustainable change, helping families rebuild their lives and move from hardship to hope.
